**KIBITZ Project**

REF: NRKA-24580, NRKA-31211

1. Before we are able to approve the KIBITZ Project for the calendar year 1951, we must have PRQ's Part II on the following KIBITZ agents, provided they are going to be in continued contact with American staff personnel: KIBITZ 11a (NRKA-19296), KIBITZ 14 (NRKA-23116), KIBITZ 15 (NRKA-21761), KIBITZ 16 (NRKA-23635), and KIBITZ 17 (NRKA-23923). We have not included KIBITZ 12 because of the situation described in NRKA-23943.

2. The references in the above paragraph are to the PRQ's Part I for these agents. Those for KIBITZ's 11a and 17 are only partially complete, and if you have further pertinent information at this time we should like to have more complete PRQ's Part I on these two personalities.

3. If any individuals of the KIBITZ 15 net, outside of 161 and 171, are being contacted directly rather than through KIBITZ 15, we shall eventually have to have PRQ's on them also.

4. We are sorry to be burdening you with more paper work of this type, and we wish to express our appreciation for the work which went into the reports and charts which you recently submitted.
